SPECIALITY TEES FROM
- WITAL TEE -

What makes a tea the world's best tea?
Aleksej Popov asked himself that question while searching for a unique taste experience.
As a cosmopolitan who is always travelling the world, he often noted that the teas he came across in hotels, restaurants and stores did not live up to his idea of a great-tasting, high-quality tea.
A meeting with Stephan Schönewald, one of the world's leading tea tasters, led from the initial idea of creating the world's best tea to the conception of a brand – WITAL – which has set itself the task of combining the thousand-year-old tradition of drinking tea with modern aspirations of luxury.
